### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

Claims 1-10 are allowed, as the prior art of record does not teach or suggest a magnetic resonance imaging apparatus, including a conductive element provided in close proximity to the gradient coil, wherein the conductive element encompasses a substantially smaller area than the gradient coil, in combination with the remaining limitations of the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
